

BVP ADVISORY BOARDS

BVP has established two industry-specific advisory boards, one for Business Services and one for Healthcare/Life Sciences, consisting of prominent business executives, clinicians, regulatory experts and industry visionaries. The role of the advisory boards includes helping in the areas of investment strategy, deal sourcing, transaction evaluation and portfolio company assistance. Additionally, a number of advisory board members serve on the board of directors of certain BVP portfolio companies. The advisory boards are chaired by BVP's Senior Advisor, Jim Daverman.
