

Baird Funds

Enclosed is the 2009 Tax Form for your account with the Baird Funds. The Form provides information on any applicable 2009 distributions and proceeds from redemptions. Please note that all information contained in this Statement has been provided to the Internal Revenue Service. In addition to the tax information provided on your enclosed Tax Form, below is supplemental information to assist you with the preparation of your 2009 income tax returns. Please consult your tax advisor for the specific application of any items below relating to the preparation of your tax returns.

Income from U.S. Government Obligations

Some states do not tax their residents on income from a mutual fund that is earned from U.S. Government Obligations. The following table shows the percentage of total ordinary income dividends shown in Box 1 of your 2009 Tax Form that were attributable to interest earned from direct U.S. Government Obligations:

<u>Fund Name</u>	<u>% of Ordinary Income Attributable to Direct U.S. Govt. Obligation (see Box 1)</u>
Baird Aggregate Bond Fund	11.71%
Baird Core Plus Bond Fund	7.12%
Baird Intermediate Bond Fund	15.81%
Baird Intermediate Municipal Bond Fund	0.00%
Baird Short Term Bond Fund	6.32%
Baird Large Cap Fund	0.00%
Baird Mid Cap Fund	0.00%
Riverfront Long Term Growth Fund	0.00%

Depending on your state's personal income tax laws, you may be entitled to declare the above portion of your 2009 ordinary income dividends (Box 1) as tax-exempt income on your state personal income tax return. However, some states do not allow the "pass through" of this exempt-interest income unless the percentage earned from U.S. Government Obligations exceeds certain thresholds or unless other requirements are met. Please consult your tax advisor or state authorities if you have any questions regarding the percentage of income you can exclude when calculating your state income tax.
