BAIRD VIDEO LIBRARY IN PARTNERSHIP WITH WASDA

The Baird Video Library (BVL) is a new and cost-effective tool that will help your district bridge the school finance gap.

The BVL offers more than 100 short, interactive videos on school finance in an easy-to-understand format. The BVL benefits your district by providing:

- A cost-effective and interactive educational suite catered to various levels of school finance expertise, from board member to school business professional
- Resources, especially for training, continuing education and talent development
- Flexibility, providing users instant access to relevant school finance topics anytime, anywhere
- Toolkits for any board, community, lunch-and-learn or team meeting

Users can navigate their experience based on the following sections in each video:

AN OVERVIEW

Offers high-level information, perfect for board or community meetings

TO KNOW

Takes a deeper dive, arming the user with essential details

TO DO
