SCHOOL FINANCING AND DEBT ISSUANCE SOLUTIONS

Baird Public Finance has created financing solutions for districts large and small, all across Wisconsin, each with a different vision of success. No matter your specific short- and long-term financing needs, you can be confident we have the expertise to create thoughtful, cost-effective solutions that are right for you, your students and your community.

We offer the following financing services, customized for your district:

- Financial planning
- Debt monitoring and management
- Referendum assistance
- Credit rating support
- Bond and note issuance
- Continuing disclosure assistance
- School financial data analysis
- Municipal market updates

ABOUT BAIRD'S SCHOOL BUSINESS SOLUTIONS TEAM

Since 2009, Baird's School Business Solutions team has been helping districts across Wisconsin plan for and meet their financial needs. Whether your district serves tens of thousands of students or a few hundred, we have the people, services and solutions to keep your district on firm financial footing and prepared for the future.
